Ndife Magawo Atatu

Mpira wa mpira umapangidwa mu magawo atatu: khungu lakuja kapena chipolopolo, chikhodzodzo, ndi mpweya. Popanda chigawo chilichonse chikugwira ntchito monga momwe adakonzera, mpirawo sungagwiritsidwe ntchito. Monga mpira, tinapangidwa ndi kupangidwa kukhala magawo atatu; thupi (thupi), moyo (maganizo, chifuniro ndi maganizo) ndi mzimu. Mofananamo, popanda zigawo zonse zitatu zimene zinalinganizidwiratu, sittingathe kugwiritsidwa ntchito kwa Mulungu mu Ufumu wake. Chifukwa cha uchimo, maganizo athu ali ndi kaonedwe kolakwika ponena za Mulungu, ife eni, ndi ena. Malingaliro athu angasonyeze mkhalidwe wathu woipa wa maganizo umene umatipangitsa kukhala ndi nkhaŵa, kudziona kukhala opanda pake, opanda pake, osaloleka, opanda chiyembekezo, opanda chochita, ndi kulephera. M'malo mwake, malingaliro athu angasonyeze mkhalidwe wabwino wa thupi la kulimba, kudzidalira, luso, chipambano, ndi chisungiko. Chifuniro chathu, wopanga zosankha mwa ife, amasankha kudalira thupi, koteru kuti luso lathu lopanga zisankho nalonso limaipitsidwa. Malingaliro athu, purosesa mwa ife, amawona dziko lapansi ndi lens yowonongeka. Ndipo malingaliro athu, "womverera" mwa ife amayang'ana dziko lapansi mongoganizira zadyera. Mosasamala kanthu za thupi labwino kapena loipa, chotsatira chake ndi moyo wopsinjika mosalekeza, mikangano, ndi kukhumudwa.

Thupi lingatanthauzidwe monga momwe timagwirira ntchito ndi zomwe tili nazo. Kuchita zinthu m'njira yathuyathu, popanda chisonkhezero cha Mulungu. Timachita zinthu kuchokera mu chibadwa chathu chauchimo, mmalo mwa mzimu wa Mulungu wokhalamo, kuti tikwaniritse zosowa zathu za chiteteko, chikondi, ndi chitsimikiziro. Thupi limayesetsa kukulitsa kudzikusa kapena kudzikusa komwe sikunakhazikike pa umunthu wathu mwa Khristu.

Vavu ya mpira imayimira momwe ndi komwe timadzifumira ndikudzichepetsera tokha. Thupi, poyesa kupanga chifaniziro chaumwini, limadalira zinthu zakunja za dziko lino kuti litivute ndi kutifewetsa; kupangitsa kuti munthu amve kuvomerezedwa, kuwongolera zowawa zake, kunyengerera ena kuti amve bwino, komanso kudzizunza monga kugonana, mankhwala osokoneza bongo, mowa ndi zina zambiri.

Uchimo ndi chinthu chomwe chimakhala mwa munthu aliyense. Tchimo ndi chinthu, komanso ndi mchitidwe. Tchimo ndi khomo lotseguka limene Satana amadyetsera mabodza a dziko lino kwa ife. Chifukwa timachimwa, Mulungu walekanitsidwa ndi ife. Kuphatikiza kwa uchimo ndi thupi kumatitsekera m'ndende yodzipangira tokha yomwe timayitcha "kukhala pansi pa mzere".

Satana akutinyenga ndi:

1. Kunama ponena za ife eni ndi Mulungu. Mukadziwa zonna, mukhoza kuzindikira mabodza ndi kuwakana. Iwo amene anyengedwa adzalandira mabodzawo.
2. Kunama ponena za choonadi cha chikhaliwe cha Mulungu. Thupi lathu limatumikira Mulungu mmodzi yekha. Ndi ife kapena Yesu. Tikadziwa makhalidwe enieni a Mulungu, tidzasankha zochita mogwirizana ndi chifuniro cha Mulungu. Tikanyengedwa, tidzapanga chosankha chosiyana ndi chifuniro cha Mulungu.
3. Kutipangitsa kukhulupirira kuti kukwera kwa mitengo ndi kwabwino, ndipo tiyenera kukhala nako tsopano. Satana amafuna kutinyengerera pa zinthu zoipa zimene zimachititsa kuti tisokonezeke. Adzakuuzani "O, sizingakupwetekeni".

Yesu ndiye yekha amene ali ndi kiyi yotitsegulira m'ndende yathu. Iye ndiye yekha amene angakhutiritsa chikhumbo chachikondi cha Mulungu choona kugwiritsidwa ntchito monga chilungamo chake. Pali yankho limodzi lokha, wowombola mmodzi, nsembe imodzi yangwiyo imene idzakhutiritsa lamulo la Mulungu la chilungamo ndi kupereka moyo wanu kwa Yesu Kristu.

1 Atesalonika 5:23-24

Tsopano Mulungu wa mtendere yekha ayeretse inu kotheratu, ndipo mzimu wanu ndi moyo wanu ndi thupi lanu zisungidwe zopanda chilema pa kudza kwake kwa Ambuye wathu Yesu Khristu.
