

I will use italic type for instructions. For the script (what to say when you talk about this diagram), when I put something in parenthesis (), it means it's something you're doing, not part of the script.

DAY 2 (Diagram #5B – Repentance)

This is the continuation of diagram 5 presented in part on Day #1. This morning, we will focus on writing down and committing to repent from those actions, attitudes, behaviors, relationships and thoughts.

IMPORTANT NOTE: *To be properly prepared for this exercise, have precut or torn slips of paper that each coach can write on. Make it big enough – roughly 8cm x10cm, and they will write on the front for repentance, and later on today, they will write on the back for forgiveness and surrender. Have hand sanitizer to put on the slips when you're ready to burn them and a lighter. Identify a location outside where a small fire can be safely burn and people can form a big enough circle around you.*

Script - Repentance

Return to the Repentance diagram.

For those who just raised their hands we are going to walk you through the process here and now for fully receiving Jesus Christ. Yesterday, we discussed how repentance is turning away from one direction and into a new direction. It is a realization that we have offended God by our actions, attitudes, behaviors, relationships, and we want to turn away from these and walk toward and with God.

I wish to remind you that yesterday you and I started a journey. Journeys leave something behind. Repentance is more than just leaving something behind, it is a transforming movement away from the bad things we do, turn and walk towards and with the goodness of God.

We are going to hand out slips of paper and pencils. Please spend a minute bringing to your mind those things that you want to repent from, and write them down on one side of that paper. Please keep this paper in a safe place. We will be doing something memorable with it later today.
